MEMORANDUM FOR: Acting Director of Central Intelligence

FROM: Director, Intelligence Community Staff

SUBJECT: State/INR Request for End-of-Year Funds (U)

REFERENCE: Asst. Sec./State INR ltr to DCI, dtd 30 July 1987,
Same Subject (U)

1. Action Requested: That you sign the attached letter to Assistant Secretary of State, Morton I. Abramowitz, informing him that \$100,000 in Intelligence Community Staff funds will be made available for unfunded State/INR requirements. [redacted]

25X1

2. Background: Ambassador Abramowitz requested \$436,500 to relieve State/INR shortfalls in analyst travel, security-related equipment upgrades, and external research (Reference). Review of the items to be funded, however, indicated that several would have only marginal value. [redacted]

25X1

25X1

[redacted] Extensive discussions with DDI revealed that some of the proposed research activities are already being addressed elsewhere, or are felt to have low priority by the rest of the Community. The \$100,000 recommended to be transferred would fund only those activities in State/INR's request that are believed to have real merit. [redacted]

25X1

3. Funding for such a transfer is available within the Intelligence Community Staff 1987 budget, and this relatively small sum can make a significant impact on State/INR's capabilities. Therefore, it is recommended that you approve the transfer of \$100,000 from the Intelligence Community Staff to State/INR. [redacted]
